

Children's Art Show 2005

On the 3rd and 4th June, five primary schools in the local area participated in the second **Children's Art Show** organised by Strathdon Community. Beautiful artworks were on display in the John T. Reid Hall at the Community Centre. The participating schools were: Burwood Heights Primary School, Parkmore Primary School, Highvale Primary School, St Timothy's Catholic Primary School and St Luke The Evangelist Primary School.

A prize was awarded to the winner in each school with an overall winner being awarded "Best In Show". The judge was International Artist, Laylah Ali.

Twenty-two Highly Commended were also awarded.

Overall Winner Best In Show and Winner Parkmore Primary School: Sarah (Year 6)

Winners from participating schools:

3rd Prize Japart Artists Canvas and Aquabee Drawing Paper to Hercules

Letter from Parkmore P.S.

"I am writing to thank you and the organisers of the Strathdon Children's Art Show this year. I am very proud of my school's individual and collective achievements in visual art and appreciate the opportunity to showcase some of our work. Debbie Coulter is an inspirational art teacher who really teaches children how to create special quality work.

I attended the formal presentation on the Friday evening and was most impressed by the art displayed. As you can see, primary school aged children are extremely creative and talented. I thought that the winning piece for Burwood Heights, created by a prep girl, was just lovely.

Please accept my personal thanks and appreciation for giving children such a special opportunity. I look forward to further involvement in 2006.

Regards,

Judy Boler
Principal, Parkmore Primary School

Thank you

Our thanks to the teachers for enabling their students to participate in this event.

Our thanks also to the Volunteers who spent many hours collating and mounting the entries, prior to arranging them on the display boards. A special thanks to John and Margaret Colvin, **Colbry Curtains P/L** for co-ordinating the event again this year. As you can see, it was a magnificent display of some very inspired art from young people.

Our thanks to Laylah Ali an international artist, who judged the entries.

Our thanks to **Frame City** for donating the coloured mounts for displaying the artworks.

The artworks were for sale at a modest cost and proceeds from this and a small entry fee for adults were donated to Strathdon Community.

2006

This event will be held again next year and we would greatly encourage more schools in our local community to participate. We would also love to see more parents bring their children to view their artwork and enjoy being part of the Children's Art Show.
